[Primeira Parte]

G9 G  
Wish I could  
Em11 Em  
I could have said goodbye  
C6 C7M  
I would have said what I wanted to  
C/D  
Maybe even cried for you

G9 G Em11 Em  
If I knew it would be the last time  
C6 C7M  
I would have broke my heart in two  
C/D  
Tryin' to save a part of you

[Refrão]

G9 G  
Don't want to feel another touch  
Em11 Em  
Don't want to start another fire  
C6 C7M  
Don't want to know another kiss  
C/D  
No other name falling off my lips

G9 G  
Don't want to give my heart away  
Em11 Em  
To another stranger  
C6 C7M  
Or let another day begin

Won't even let the sunlight in

I'll never love again

( C6 C7M C/D )

When we first met

I never thought that I would fall  
                  C6          C7M          C/D  
I never thought that I'd find myself      lyin' in your arms

And I wanna pretend that it's not true  
          Em11          Em  
Oh, baby that you're gone  
          C6                  C7M  
Cause my world keeps turnin' and turnin' and turnin'
