

Tom: E

Intro 2x: E B A

E B A
Somebody said you got a new friend

E B A
Does she love you better than I can?

E B A
There's a big black sky over my town

E B
I know where you're at, I bet she's

A
around

C#m B A
Yeah, I know it's stupid, I just gotta
see it for myself

Refrão:

E B
I'm in the corner
A
watching you kiss her oh

E B
I'm right over here
A
Why can't you see me? oh

C#m B
I'm giving it my all
A
but I'm not the girl you're taking home
C#m B A
ooh I keep dancing on my own (I keep
dancing on my own)

E B A
I'm just gonna dance all night
I'm all messed up, I'm so outta line
C#m B A
Stilettos on broken bottles, I'm
spinning around in circles

Ponte:

A B A
So far away, but still so near (The
B
lights go on, the music dies)
A B A
But you don't see me standing here
B
(I just came) to say goodbye

E B
I'm in the corner
A
watching you kiss her oh

C#m B
I'm giving it my all
A
