Fugees – Killing Me Softly

```
D#m                              G#m7      C#7                        F#
Strumming my pain with his fingers. Singing my life with his words
D#m                      G#m7                      C#        B
Killing me softly with his song.  Killing me softly with his song
           F#              B
Telling my whole life with his words
            E7               D#
Killing me softly,  with his song

G#m7             C#
   I heard he sang the good song
F#             B
   I heard he had a style
G#m7           C#
   And so I came to see him
        D#m
   And listen for a while
G#m7                C#7
   And there he was a young boy
F#             A#7
  A stranger to my eyes

D#m                              G#m7      C#7                        F#
Strumming my pain with his fingers. Singing my life with his words
D#m                      G#m7                      C#        B
Killing me softly with his song.  Killing me softly with his song
           F#              B
Telling my whole life with his words
             E                 D#
Killing me softly,  with his song

G#m7             C#
   I felt all flushed with fever
F#               B
   Embarrassed by the crowd
G#m7          C#
   I felt he found my letters
        D#m
   And read each one out loud
G#m7                C#7
   I prayed that he would finish
F#               A#7
   But he just kept right on

D#m                              G#m7      C#7                        F#
Strumming my pain with his fingers. Singing my life with his words
D#m                      G#m7                       C#        B
Killing me softly with his song.  Killing me softly with his song
           F#              B
Telling my whole life with his words
             E                 D#
Killing me softly,  with his song
```

```
G#m7              C#
    He sang as if knew me
F#            B
    In all my dark despair
G#m7               C#
    And then he looked right through me
   D#m
As if I wasn't there
G#m7              C#7
    And he just kept on singing
F#             A#7
    Singing clear and strong

D#m                         G#m7     C#7                        F#
Strumming my pain with his fingers. Singing my life with his words
D#m                     G#m7                    C#       B
Killing me softly with his song.  Killing me softly with his song
           F#            B
Telling my whole life with his words
            E                D#
Killing me softly,  with his song
