Em

It's always summer

They'll never get cold
They'll never get hungry
They'll never get old and grey
You can see their shadows wandering off somewhere
They won't make it home
But they really don't care
They wanted the highway
They're happier there today

[Primeira Parte]

Their children woke up
And they couldn't find them
They left before the sun came up that day
They just drove off and left it all behind'em
But where were they going without ever
Knowing the way?

[Refrão]

Anyone can see the road that they walk on
Is paved with gold
It's always summer
They'll never get cold
They'll never get hungry
They'll never get old and grey
